---

## Professional Summary

Python/Django Developer with hands-on experience building fullstack applications and RESTful APIs. Completed an internship at Orange Digital Center, gaining experience in Django, API development, and security testing tools such as Nmap, Burp Suite, and OWASP ZAP. Skilled in Python, Django REST Framework, and modern web technologies. Passionate about secure backend development and delivering scalable applications.

## Work Experience

### **Python/Django Intern – Orange Digital Center**

Buea, Cameroon | 2025

- Developed RESTful APIs with Django REST Framework to support web applications.
- Enhanced Django applications with authentication, CRUD operations, and database integration.
- Used Nmap, Burp Suite, and OWASP ZAP for security testing and assessment.
- Collaborated with developers and mentors to improve application security and API performance.

### **Networking Intern – Speednet**

Buea, Cameroon | July 2024 – September 2024

- Gained foundational knowledge in networking through hands-on training.
- Set up SOHO networks, school networks, and CCTV installations.
- Acquired practical experience in troubleshooting and configuring network systems.

### **Frontend Development Intern – WODAR Technologies**

Buea, Cameroon | 2022

- Built and optimized frontend applications with responsive UI components.
- Worked in a team environment implementing modern web development practices.

## Projects

- **Fullstack To-Do Application** (Django, SQLite, TailwindCSS) – CRUD manager with authentication.
- **ODC Share**: Offline File Sharing App (Django, DRF, TailwindCSS) – File upload/download with authentication & access control.
- **Pixco**: Image Downloader (Next.js, TypeScript, Pexels API, TailwindCSS) – API integration and responsive UI.
- **Gitfinder**: GitHub User Search (Next.js, TypeScript, GitHub API, TailwindCSS) – REST API handling and rendering external data.

## Skills

- Backend: Python, Django, Django REST Framework, SQL
- Frontend: HTML, CSS, JavaScript, Django Templates, TailwindCSS
- Cybersecurity Tools: Nmap, Burp Suite, OWASP ZAP
- Other Tools: Git, GitHub, Postman, VS Code, C programming
- Soft Skills: Problem-solving, teamwork, communication

## Education

### **BSc in Cybersecurity (Ongoing)**

Catholic University Institute of Buea – Buea, Cameroon

Expected Graduation: 2027
